ABOUT NOLINDO GLOBAL

PT. NOLINDO GLOBAL INTERNASIONAL is an Indonesian export company specializing in Fresh and Frozen Banana Leaves. We work with local sourcing partners to provide banana leaves prepared according to commercial requirements for international buyers.

Our focus is on product consistency, careful handling, practical packaging solutions, and responsive communication throughout this purchasing process.

We aim to build long-term partnerships with importers, distributors, food manufacturers, foodservice businesses, retailers, and other commercial buyers seeking reliable Indonesian banana leaf supply.
